The Arlington laptop table is an essential component that ensures comfort in today's work-lounge applications, even offering up to a 350lb capacity. The work surface cantilevers over the seating so you can lean back with your body fully supported against the backrest. The Arlington table is available in four heights: 25", 27", 29" and 31" high. Select from a laminate or steel top work surface. Also select casters or levelers.
