Lincoln is a versatile table line that offers seated and standing options for occasional, hospitality, communal, conference and healthcare. The optional casters provide mobility within a room, or for use between multiple rooms. Lincoln's standoffs give the table top a floating appearance while the open-ended legs allow for seating on all sides of the table. Table heights range from 18" high to 42" high. If you can't find what you are looking for, custom is our standard.
