Union tables have the unique ability to span 10' without a supporting center leg. Union tables ignite ideas within corporations, they help students study and focus on college campuses, and they create communal areas that unite families in hospitality settings. Union tables feature multiple customizable options such as industrial locking casters, modesty panels, cubbies, and power to support everyone's technology needs. Union offers various widths and heights from occasional height to desk height, counter height, and standing height tables. If you can't find what you are looking for, custom is our standard.
