Rectangle Table Cart

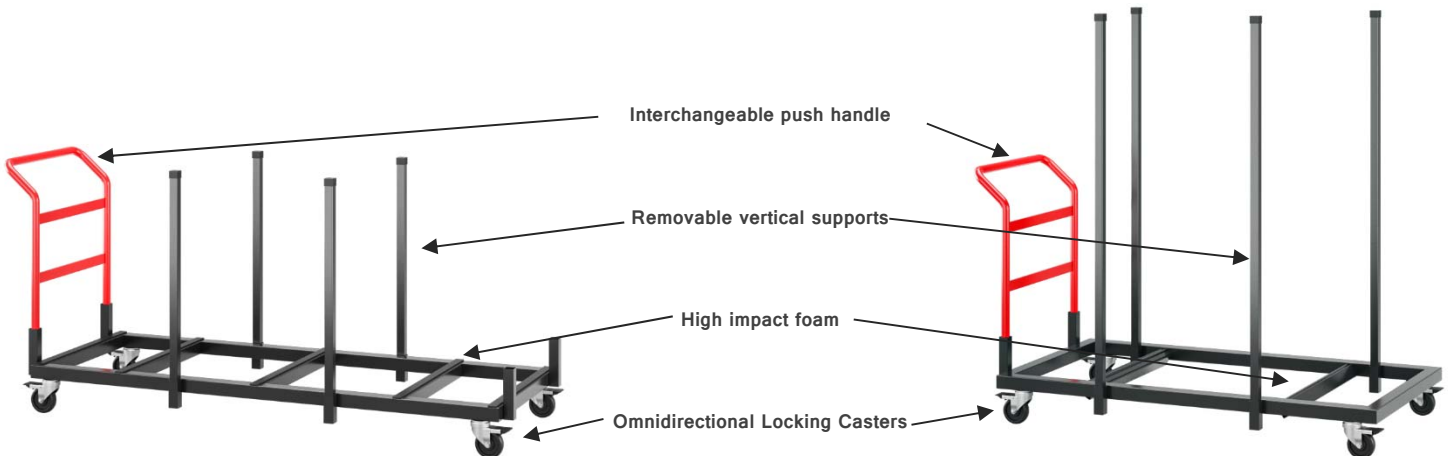

Round Table Cart

General Information

All sizes are nominal sizes.

- 1,000 lbs. capacity
- Removable vertical supports
- Interchangeable push handle for pushing cart from either end
- Casters are locking omnidirectional for maneuvering small spaces.
- Cart stays in place while loading.
- Closed cell high impact foam to protect table surfaces and edges
- The frame is constructed of 2" x 2" x 14ga square tubular carbon ASTM-A513 steel
- The cut pieces are continuously MIG welded together
- All joints are ground smooth
- Low VOC powder coat finish for durability
