Retha's name means virtue, and Hi5's newest adjustable laptop/occasional table has all the virtues to transform your underused lounge areas into flexible, sought after work and social spaces for the modern workplace. Designed to complement any type of seating, this small-scale table is ready to hold a laptop, tablet, your favorite latte, or items up to 25 pounds. If you overload it, no worries. It will retreat to its lowest height. Retha has simple height adjustability for each user, just by pulling it up or pushing it down. Adaptable to any setting, this table will be equally comfortable and useful in communal spaces, student lounges, hospitals, doctor's offices, waiting rooms, cafes, or corporate environments.
