

# Jewel Tables

Tables designed for everywhere you  
**Learn. Eat. Gather.**

# Jewel Tables

Jewel tables are a new-found treasure for those that are committed to having options - sitting and/or standing - throughout the workday. The Jewel Collection is inspired by long hours and keeping the workforce comfortable with a flexible solution. These gems are customized for easy adjustments that conform to everyone's ideal ergonomics. With Jewel's simple sit to stand height adjustment handle and caster wheels, this table is the ultimate surface for those who like to change things up.
