Flexible Meeting Spaces

ZuZu tables support dynamic training spaces where layouts must shift quickly throughout the day. Large Nesting tables allow teams to transition between group work, presentations, and workshops while maintaining a consistent and professional aesthetic.

## ZuZu Collection

Nesting & Reconfigurable Tables

Built for movement, ZuZu Training Tables fold, nest, and reset with ease—keeping training spaces agile, efficient, and ready for what's next. Laser-cut modesty panels bring purpose and personality beneath the surface. Chevron feels architectural and familiar. Baseline is calm and precise. Lattice adds lightness and openness. Pulse introduces rhythm and energy. ZuZu turns training rooms into spaces that adapt, engage, and perform.

60" x 60" x 29"H D-shaped table (T2 Style Base)

60" x 60" x 29"H D-shaped table (X4 Style Base)

D-shaped ZUZU tables energize team meetings by shaping the conversation itself. The curved form draws people together, encourages engagement, and creates a natural focal point for collaboration and exchange. Designed to feel inclusive and intentional, they turn everyday meetings into moments of momentum and shared purpose.

**ZuZu Collection**  
Video Conferencing

ZuZu tables support modern video conferencing by keeping participants comfortably oriented toward displays and cameras. The thoughtful table shapes maintain clear sightlines while creating an inviting, professional setting for both in-person and remote collaboration.

**ZuZu Collection**  
Nesting Tables

ZuZu nesting tables are engineered for efficient storage and effortless mobility. An integrated handle allows a single person to reposition or store multiple tables quickly, making it easy to transform spaces as needs evolve.

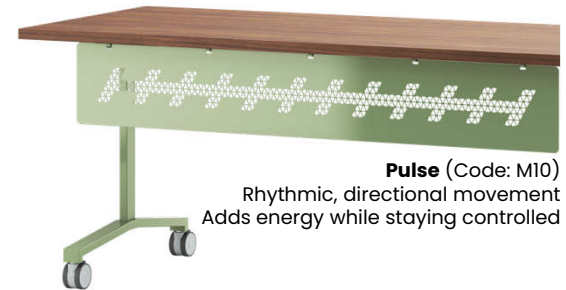

## ZuZu Collection

Modesty Panels

**Chevron** (Code: M7)  
Classic V-pattern  
Feels architectural and familiar

**Pulse** (Code: M10)  
Rhythmic, directional movement  
Adds energy while staying controlled

**Baseline** (Code: M8)  
Linear, measured, almost "technical"  
Reads as calm and intentional

**Lattice** (Code: M9)  
Open, repeating geometry  
Suggests structure, and lightness

Focus Workspaces

ZuZu tables create quiet focus zones within open environments. Positioned near windows or shared spaces, they offer practical work surfaces while maintaining the clean architectural language of the overall interior.

## ZuZu Collection

Lounge & Collaboration

ZuZu bar-height tables create a natural backdrop for informal conversations and relaxed collaboration. Positioned behind soft seating, they offer a convenient surface for laptops, coffee, or quick discussions while keeping the space open and approachable. The elevated height adds function without disrupting the comfort of the lounge setting, supporting flexible environments where people can gather, connect, and work with ease.

**ZuZu Collection**  
Conference & Presentation Settings

ZuZu conference tables set the stage for meaningful conversations and confident leadership. With refined lines and a composed, architectural presence, they elevate the meeting experience while remaining effortlessly functional. Paired with the matching ZuZu lectern, they create a unified, front-of-room statement that feels polished, purposeful, and unmistakably professional.

## ZuZu Collection

Meeting Rooms

ZuZu boat-shaped tables perform seamlessly in both front-of-the-house and back-of-the-house meeting environments, creating a refined setting for presentations, collaboration, and daily work.

When paired with ZuZu credenzas, the space becomes cohesive and organized, supporting everything from formal discussions to behind-the-scenes preparation.

ZuZu credenzas extend the system beyond the table, offering practical storage with clean lines and consistent materials. Available in 24" × 54" two-door and 24" × 72" four-door models, each features a durable steel frame, laminate surfaces, and touch-latch doors—delivering a solution that is both functional and visually unified.

**ZuZu Collection**  
Café & Hospitality

Square ZuZu tables bring energy and flexibility to soft-seating spaces, pairing effortlessly with Banquetts to create inviting places to gather, work, and connect. With heights ranging from a relaxed 20" occasional to 29" seating, 36" café, and 42" bar, ZuZu makes it easy to design layered, dynamic environments that feel intentional at every level.

## ZuZu Collection

Lounge & Informal Collaboration

ZuZu tables pair beautifully with settees, creating comfortable spaces for casual meetings, quick conversations, or relaxed collaboration. Their balanced scale complements soft seating while providing a convenient surface for work, devices, or refreshments.
